

**Contents**

These disks contain the study guides for the Occupational Safety topical competencies within the Department of Energy's Technical Qualification program.

---

## Organization

These disks contain twenty WordPerfect 6.1 files:

<u>File Name</u>	<u>Contents</u>
01readme.1st	Directions
02frtmat.wpd	Front matter
03gentch.wpd	Study guides for Occupational Safety Section 1.0, <i>General Technical</i>
04reglty.wpd	Study guides for Occupational Safety Section 2.0, <i>Regulatory</i>
05admin.wpd	Study guides for Occupational Safety Section 3.0, <i>Administrative</i>
06manag.wpd	Study guides for Occupational Safety Section 4.0, <i>Management, Assessment, and Oversight</i>
07chempr.wpd	Study guide for Chemical Processing competencies 1.10 and 2.9
08civeng.wpd	Study guide for Civil/Structural Engineering competency 2.5
09conmgt.wpd	Study guide for Construction Management and Engineering competencies 2.9 and 2.17
10ehresd.wpd	Study guide for EH Resident competencies 1.17, 1.18, 1.19, 1.20, 1.21, 1.22, 1.23, 1.24, 1.25, 1.26, 1.29, 2.8, 2.18, and 4.6
11gtbs.wpd	Study guide for General Technical Base competencies 5.1, 5.3, and 5.6
12indhyg.wpd	Study guide for Industrial Hygiene competency 1.10
13mchsys.wpd	Study guide for Mechanical Systems competency 1.20
14nucexp.wpd	Study guide for Nuclear Explosives competency 2.11
15prjmgt.wpd	Study guide for Project Management competency 2.8
16wstmgt.wpd	Study guide for Waste Management competency 2.21
17glossa.wpd	Glossary
18ttcmtr.wpd	Training-to-Competency Matrix with resource information
19osmtr.wpd	Training-to-Competency Matrix with relationship to individual competencies
20funcmx.wpd	Training-to-Competency Matrix with relationship to individual topical competencies

**The Occupational  
Safety Topical  
Area**

The Occupational Safety topical area, as identified by HR, includes the following competencies:

- Occupational Safety 1.1, 1.6, 1.7, 1.8, 1.9, 1.10, 1.11, 1.12, 1.13, 1.14, 2.1, 2.2, 2.3, 2.4, 2.5, 3.2, 3.3, 4.1, and 4.2
- Chemical Processing 1.10 and 2.9
- Civil/Structural Engineering 2.5
- Construction Management 2.9 and 2.17
- EH Resident 1.17, 1.18, 1.19, 1.20, 1.21, 1.22, 1.23, 1.24, 1.25, 1.26, 1.29, 2.8, 2.18, and 4.6
- General Technical Base 5.1, 5.3, and 5.6
- Industrial Hygiene 1.10
- Mechanical Systems 1.20
- Nuclear Explosives 2.11
- Project Management 2.8
- Waste Management 2.21

**For More  
Information**

The lead site materials for the Occupational Safety topical area were developed by the Oak Ridge Operations Office. For more information, comments, or questions call: Allen Clemons at 423-241-5331 or Jim Vosburg at 423-576-3662.
